Membership Application Procedures

First of all, thank you for your interest in the IPPF. We look forward to your active participation as a member whether your status be “Full” or “Associate”.

1. Please do not send checks or transmit funds until after your application has been approved by the board. Upon approval, you will be sent a debit note / invoice with instructions as to which bank to remit the annual membership fee to.
2. **Full and / or Associate Classification**
 - Full membership is based on the company’s activities as an IPP. Full membership is actually a “corporate membership” status, which automatically allow for **three** appointed full individual members, one as the “Board” member, the other two as alternate boards members.
 - Associate memberships are also company based with **two** members allowed and no board representation. Associate memberships are transferable within their specific company upon formal request to the Secretariat / Board. Associate members enjoy all privileges accorded Full members other than Board membership.
3. **Classification Clarifications**

The Board is the final arbitrator as to category. Individuals not connected with an IPP but active in related industries or representing firms that are related in some

 - Likewise, firms (and / or individuals) that are actually directly involved with the development, management or ownership of power generation facilities may not join as Associates.
 - Certain vertically structured firms that include a number of overlapping power generation functions that fall into both Full and Associate category should communicate directly with the chair or other board members for clarification of potential membership status to avoid possible misunderstandings.
4. **Membership Fees**

Invoiced annually, two weeks prior to each firms joining date, therefore, no pro-rata fiscally based discount. **Full membership US\$10,000.00 per firm. Associate membership US\$2,000.00 per firm.**
